

Bio of Sharlene Floam

I was born and raised in Baltimore, Maryland. My husband was a professional portrait and wedding photographer. I was a family practice physician's right hand for 22 years.

We bought in The Villages May 2005 as snowbirds - becoming full-time residents February 2006! In 2016, we moved to Lakeside Landings in Oxford. My hubby passed away in December 2017.

We were fortunate to travel extensively throughout Asia and Europe for many years. I have one daughter and one stepson with 6 grands and 3 great-granddaughters!

I've collected - bought and sold - antiques, collectibles and Lladro (art porcelain figurines). I am an avid reader - rarely without a book, play Mahjong and samba.

I am so very fortunate to have met such wonderful friends since moving to Florida.
